

# Eye Safety

## Sample Slideshow

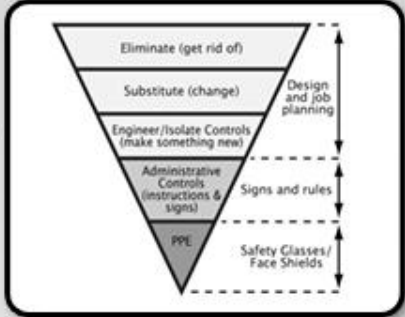

# In this slideshow on Eye Safety, we consider:

Loss of Eyesight: Common Causes

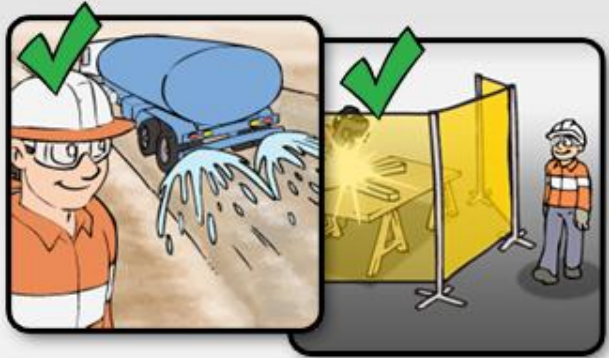

Hierarchy of Controls for Eye Safety

PPE for Eyes

Working Methods to Protect Eyes

Hygiene & PPE

Preparing for Emergencies

In this sample, we show the contents of the chapter on Eye Hygiene and how to remove PPE.

We look at:

- Not wiping particles into our eyes
- Not dropping particles into our eyes as we remove dirty PPE
- Not washing particles into our eyes, including when showering
